

Mini-Plus

Comfortable Compressor Nebulizer

The Mini-Plus is a compressor nebulizer designed for easy portability, especially for people on the move. Chronic respiratory problems are unpredictable and it is important for people to have their treatment devices close at hand. The compact size, light weight and convenient carrying handle of the Mini-Plus facilitate portability and allow each person to keep their Mini-Plus accessible at all times.

Mini-Plus

Comfortable Compressor Nebulizer

Features ▼

- Motor-piston drive for reliable, consistent performance.
